City of McGregor – Priority I Street Improvements \*Rough\* Schedule

- 11/12/2024 – 11/18/2024 - We will begin placing all SWPPP and Traffic Control Devices on Laurel Lane and potholing the area where the sewer main will be installed.
- 11/19/2024 – 1/24/2025 - We will begin installation of the sewer main at the intersection of Mulberry Drive and Laurel Lane at station 0+00 and continue towards station 9+78.
- 12/2/2024 – 2/4/2025 - In the following weeks, after sewer installation has begun, a second crew will be present to begin installation of the water main from the intersection of N. Main Street and Laurel Lane at station 20+62.55 heading towards Mulberry Drive.
- 1/27/2025 – 03/21/2025 - Once sewer installation is complete on Laurel Lane we will begin installation on Willow Way at the intersection of Laurel Lane and continue to Ash Street.
- 2/5/2025 – 4/4/2025 – The second crew will begin installing the water main on Willow Way at the intersection of Laurel Lane and continue to Ash Street.

Please note this is a rough schedule and adjustments may be made depending on the availability of the second crew to be placed on the job site. As we get closer to completion of Laurel Lane, we will send out an additional schedule to address all concrete and street repairs for this portion of the project. We will then also address the schedule for construction to begin on 10<sup>th</sup> Street and Harrison Ave.

CONSTRUCTION NOTICE TO  
RESIDENT

**Beginning on November 12, 2024, and for the next several months, construction crews with B-Corp Utilities, Inc. will be making improvements to the water and wastewater system serving your neighborhood. The planned work involves trenching and installing new service main in the street and services to residences. The road will be repaved after completion of the utility work.**

**Therefore, beginning November 12th field crews will perform the required work as quickly as possible to minimize the disruption to those properties affected by this activity. We request for you to limit parking on the street during the weekdays (Monday -Friday) from 7:00 a.m. to 6:00 p.m.**

**Your cooperation is appreciated. Should you have any additional questions concerning this project please contact:**
